Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Veterans Place multi purpose construction project. Veterans Place on 945 Washington Blvd, Pittsburgh, PA 15206, plans to build a multipurpose facility to provide homeless and at-risk veterans access to on-site behavioral health services, as well as physical exercise, mindfulness, and meditation spaces and classes. The multi-purpose building will include eight handicap accessible apartments on the top two floors. This project will engender long-term sustainable and temporary construction jobs in our region and will provide necessary services for our veterans' community. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle
Member of Congress
